Naming Opportunities

*Make your mark!
Help give children a Head Start!*

AAHS Mission:

Excitement

in children through learning

Empowerment

in families through strengths

Enhancement

in communities through participation

Enrichment

in staff through experiences

What is Audubon Area Head Start?

The Audubon Area Head Start Program consists of Head Start, Early Head Start, Early Head Start Child Care Partnerships, Western Kentucky University Delegate and Migrant Head Start. We promote school readiness for at-risk children from birth to age five by providing comprehensive child and family centered services that foster healthy development of children throughout. Our goal: School readiness for all children by closing the achievement gap, which guides our work in all service areas.

Excellence in Early Childhood!

Audubon Area Head Start (AAHS) was named a Program of Excellence by the National Head Start Association (NHTA) for over 16 years.

AAHS was designated a Center of Excellence by the Office of Head Start to disseminate best practices in the field of early childhood across the nation.

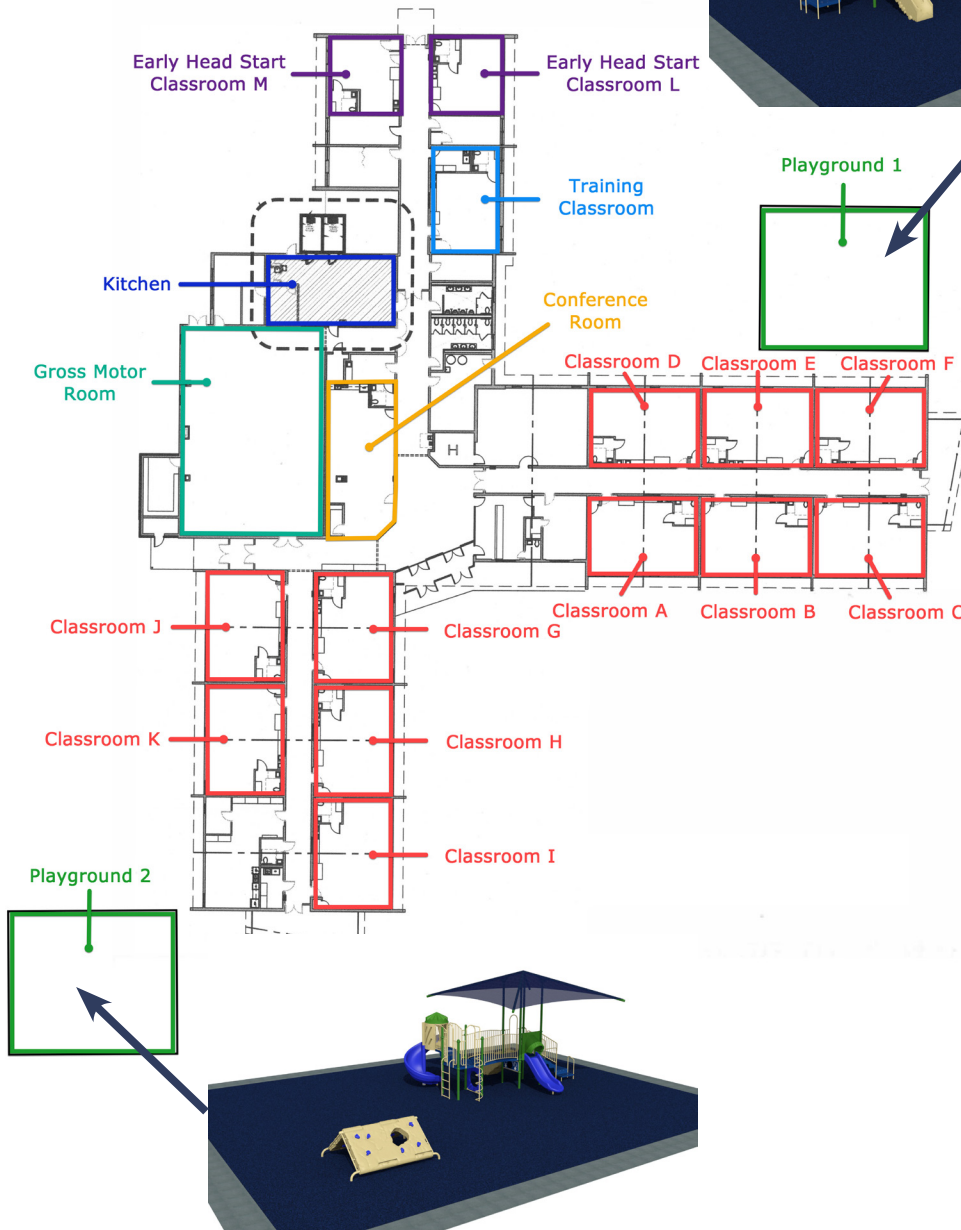

Our program was selected by NHTA to participate on a panel of Early Childhood experts to help design the curriculum for Sesame Street's 50th Anniversary Season.

Renovation of Seven Hills

Audubon Area Head Start is renovating the former Seven Hills School at a cost of \$3.1 million into a state of the art space for preschool children to be able to learn, play and master skills in social emotional development, cognitive function, literacy, math, language and physical. The facility will become a new landmark in eastern Daviess County for Early Childhood Services. Audubon Area Head Start enjoys a partnership with Owensboro Public Schools jointly providing quality preschool services to 385 children. Seven Hills School allows us the opportunity to provide 7 hours of instruction 5 days per week for children starting with the 2018-19 school year. Children currently receive only 3.5 hours per day instruction four days per week. The school will host 11 "smart" preschool classrooms with parent viewing windows. Future plans include 3 infant and toddler classrooms. A health office with a nurse who will provide vision and hearing screens for our children on site will enhance the health and well being of our children. Breakfast, lunch and snack will be prepared in the full service kitchen. The large multi-purpose room will serve as a gross motor area where children can develop their gross motor skills. It will double as a training room for monthly parent activities and staff professional development.

Available Spaces

Naming Opportunity

Gift Amount

Building	\$250,000
Playgrounds (2)	\$75,000 each
Gross Motor Room	\$50,000
Kitchen	\$50,000

Naming Opportunities Request Form

My/our pledge of \$_____ to Audubon Area Head Start entitles me/us to a naming opportunity for the new project. I/we would like to request the following:

Choice #1: _____

Choice #2: _____

I/we understand that naming opportunities are based on availability and are subject to change with final architectural recommendations. Recognition will be installed upon completion of renovation of the requested space and fulfillment of my/our pledge.

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Signature: _____ Date: _____

I/we would like our gift to be recognized with a plaque to read:

<i>Naming Opportunity</i>	<i>Gift Amount</i>
Building	\$250,000
Playgrounds (2)	\$75,000 each
Gross Motor Room	\$50,000
Kitchen	\$50,000
Classrooms (14)	\$25,000 each
Conference Room	\$25,000

Donations given from \$1,000-\$250,000 will be represented on the donor's wall inside the building.
